Notice of Claim

Written or authorized electronic/telephonic notice of claim must be given to Us within 90 days after a Covered Loss occurs or begins or as soon as reasonably possible. If written or authorized electronic/telephonic notice is not given in that time, the claim will not be invalidated or reduced if it is shown that such notice was given as soon as was reasonably possible. Notice can be given: to Us at Our Administrative Office, One Bala Plaza, Suite 100, Bala Cynwyd, PA 19004; to such other place as We may designate for the purpose; or to Our authorized agent. Notice should include the Policyholder's name and policy number and the Covered Person's name and address.

Claim Forms

We will send claim forms for filing proof of loss when We receive notice of a claim. If such forms are not sent within 15 days after We receive notice, the claimant will be deemed to have complied with the proof requirements by submitting, within the time fixed in this Policy for filing proof of loss, written or authorized electronic proof of the nature and extent of the loss for which the claim is made.

Claimant Cooperation Provision

Failure of a claimant to cooperate with Us in the administration of the claim may result in termination of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Proof of Loss

In the case of a claim for loss for which this Policy provides any periodic payment contingent upon continuing loss written or authorized electronic proof of loss must be sent to Us at our office located at One Bala Plaza, Suite 100, Bala Cynwyd, PA 19004 within 90 days after the termination of the period for which We are liable. In the case of a claim for any other loss written or authorized electronic proof must be given to Us at our office located at One Bala Plaza, Suite 100, Bala Cynwyd, PA 19004 within 90 days after the date of loss. Failure to give such proof within the time required will not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

Time of Payment of Claims

We will pay benefits due under this Policy for any loss other than loss for which this Policy provides any periodic payment immediately upon receipt of due written or authorized electronic proof of such loss. Subject to due written or authorized electronic proof of loss, We will pay all accrued benefits for loss for which this Policy provides periodic payment monthly. We will pay any balance remaining unpaid upon the termination of liability immediately upon receipt of due written or authorized electronic proof.

Payment of Claims

All benefits will be paid in United States currency. Benefits for loss of life will be payable in accordance with the Beneficiary provision and these Claim Provisions. All other proceeds payable under this Policy, unless otherwise stated, will be payable to the Covered Person or to his estate.

Any payment made by Us in good faith pursuant to this provision will fully discharge Us to the extent of such payment and release Us from all liability.

For those Covered Persons who are eligible for medical benefits under the Medicaid program, benefits paid on behalf of a child or other Covered Person are to be paid to the State of New Mexico Human Services Department when:

- (1) the human services department has paid or is paying benefits on behalf of the child or other insured person under the state's medicaid program pursuant to Title XIX of the federal Social Security Act;
- (2) payment for the services in question has been made by the human services department to the medicaid provider; and
- (3) the insurer is notified that the insured individual receives benefits under the medicaid program and that benefits must be paid directly to the human services department.

This required notice may be accomplished through an attachment to the claim by the human services department for insurance benefits when the claim is first submitted by the human services department to the insurer.

Notwithstanding any other provisions of law, checks in payment for claims for health care services provided to persons who are also eligible for benefits under the medicaid program and provided by medical providers qualified to participate shall be made payable to the provider. The insurer may be notified that the insured individual is eligible for medicaid benefits through an attachment to the claim by the provider for insurance benefits when the claim is first submitted by the provider to the insurer.

To the extent that payment for covered expenses has been made pursuant to the state medicaid program for health care items or services furnished to an individual, in any case where the insurer has a legal liability to make payments, the state is considered to have acquired the rights of the individual to payment by an insurer for those health care items or services.

Beneficiary

The beneficiary is the person or persons the Covered Person names or changes on a form executed by him and satisfactory to Us. This form may be in writing or by any electronic means agreed upon between Us and the Policyholder. Consent of the beneficiary is not required to affect any changes or to make any assignment of rights or benefits permitted by this Policy, unless the beneficiary has been designated as an irrevocable beneficiary.

A beneficiary designation or change will become effective on the date the Covered Person executes it. However, We will not be liable for any action taken or payment made before We record notice of the change at our Home Office.

If more than one person is named as beneficiary, the interests of each will be equal unless the Covered Person has specified otherwise. The share of any beneficiary who does not survive the Covered Person will pass equally to any surviving beneficiaries unless otherwise specified.

If there is no named beneficiary or surviving beneficiary, or if the Covered Person dies while benefits are payable to him, We may make direct payment to the first surviving class of the following classes of persons:

1. Spouse;
2. Child or Children;
3. mother or father;
4. sisters or brothers;

No such action will be brought more than three years after the time such written proof of loss must be furnished.

If benefits are overpaid, We have the right to recover the amount overpaid by either of the following methods.

1. A request for lump sum payment of the overpaid amount.
2. A reduction of any amounts payable under this Policy.

If there is an overpayment due when the Covered Person dies, We may recover the overpayment from the Covered Person's estate.

ADMINISTRATIVE PROVISIONS

Cancellation

We or the Policyholder may cancel this Policy, after the first year, by giving Us 60 days advance written notice. Any premium rate guarantee will not affect Our or the Policyholder's right to cancel this Policy.

If a premium is not paid when due, We will cancel this Policy at the end of the last period for which premium was paid, subject to the Grace Period provision. Premium Due Dates are shown in the *Schedule of Benefits*.

Cancellation will not affect a claim for a Covered Loss resulting from a Covered Accident that occurred before the cancellation date.

Grace Period

A Policy Grace Period of 31 days will be granted for payment of required premiums due after the first premium, unless:

1. We do not intend to renew this Policy beyond the period for which premium has been accepted; and
2. written notice of Our intention not to renew is delivered to the Policyholder at least 90 days before the premium is due.

This Policy will be in force during the Policy Grace Period. If the required premiums are not paid during the Policy Grace Period, insurance will end on the last day of the Grace Period. The Policyholder is liable to Us for any unpaid premium for the time this Policy was in force.

Premiums

All premium rates are expressed in, and all premiums are payable in, United States currency. The premiums for this Policy will be based on the rates, as set forth in the *Schedule of Benefits* or subsequently changed, the plan and amounts of insurance in effect for Covered Persons and the premium mode selected, as shown in the *Schedule of Benefits*. If a Covered Person's insurance amounts are reduced due to age, premium will be based on the amounts of insurance in force on the day before the reduction took place. We will provide notifications of premiums due or premium changes, by mail to the most current address in our files, to the Policyholder.

Premium Payment

The total premium paid by the Policyholder is the sum of premiums for all Covered Persons including any amounts contributed toward the cost of this insurance by Covered Persons. The initial premium is due on the Policy Effective Date and each succeeding premium is due on the next succeeding Premium Due Date, as shown in the *Schedule of Benefits*, unless the Policyholder and We agree to another mode of premium payment. Premiums are paid at our Administrative Office or to Our authorized agent.

If any premium is not paid when due, this Policy will be cancelled as of the Premium Due Date of the unpaid premiums, except as provided in the Grace Period provision.

Changes in Premium Rates

We may change the premium rates from time to time with at least 60 days advance written notice to the Policyholder. No change in rates will be made until 12 months after the Policy Effective Date. An increase in rates will not be made more often than once in a 12-month period. However, We reserve the right to change rates at any time if any of the following events take place:

1. the terms of this Policy change;
2. the number of Covered Persons increases or decreases by more than 10% since the later of the Policy Effective Date and the first day of the current Policy term;
3. coverage is reinstated following failure to pay premium during the Grace Period;
4. acquisition, merger, consolidation, divestiture, corporate reorganization or purchase or sale of assets affecting, increasing or decreasing by 10% or more the number of Covered Persons;
5. a change in the number of Covered Persons which would, on a manual rate basis, require a change of 10% or more in the premium rate;
6. a change in any federal or state law or regulation is enacted, adopted or amended to the extent that it affects Our benefit obligations under this Policy; or
7. the Policyholder fails to provide sufficient information, as required by Us, to confirm adequacy of premiums and rates currently being paid.

Any increase or decrease in rate will take effect on the date of the applicable change specified above. A pro-rata adjustment will apply from the date of the change to the end of any period for which premium has been paid.

Premium Audit

We will have the right to audit books and records of the Policyholder at its place of business and during regularly-scheduled business hours, in order to determine the accuracy of premium paid.

Reinstatement

This Policy may be reinstated if it lapsed for nonpayment of premium. Requirements for reinstatement are written application of the Policyholder satisfactory to Us and payment of all overdue premiums. Any premium accepted in connection with a reinstatement will be applied to the earliest period for which premium was not previously paid.

**NOTICE OF
PROTECTION PROVIDED BY
NEW MEXICO LIFE INSURANCE GUARANTY ASSOCIATION**

This notice provides a **brief summary** of the New Mexico Life Insurance Guaranty Association (“the Association”) and the protection it provides for policyholders. This safety net was created under New Mexico law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity or health insurance company becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with New Mexico law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender or withdrawal values
- Health Insurance
 - \$500,000 in hospital, medical and surgical insurance benefits
 - \$300,000 in disability income insurance benefits
 - \$300,000 in long-term care insurance benefits
 - \$100,000 in other types of health insurance benefits
- Annuities
 - \$250,000 in present value of annuity benefits

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$300,000 (\$500,000 for hospital, medical and surgical insurance policies).

Note to benefit plan trustees or other holders of unallocated annuities covered under the act: For unallocated annuities that fund certain governmental retirement plans, the limit is \$250,000 in present value of annuity benefits per plan participant. For covered unallocated annuities that fund other plans, a special limit of \$5,000,000 applies to each contract holder, regardless of the number of contracts held or number of persons covered.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under New Mexico law.

To learn more about the above protections, please visit the Association’s website at www.nmlifega.org, or contact:

This notice is being provided in compliance with the Amended Notice and Order entitled "IN THE MATTER OF EXCEPTED BENEFITS NOTICE REQUIREMENTS RELATING TO THE COVID-19 PUBLIC HEALTH EMERGENCY" filed on March 17, 2020 with the New Mexico Office of Superintendent of Insurance.

The coverage provided under your benefits plan or policy underwritten by the Philadelphia Indemnity Insurance Company is limited in nature and may not provide financial protection for significant costs that you could incur for the diagnosis or treatment of COVID-19 ("Corona virus") related illness.

If you do not have comprehensive major medical coverage, in addition to the plan or policy issued by our company, you may incur significant uninsured medical expenses associated with the testing, diagnosis and treatment of illness caused by COVID-19.

Major medical plans offer robust consumer protections, and are required to waive all deductibles, co-pays and other cost sharing expenses for the diagnosis or treatment of COVID-19 related illness. Your policy or plan with us is not a major medical plan and does not provide such protections.

If you do not have major medical coverage, you may:

1. Contact a licensed insurance broker or agent to see about major medical coverage availability.
2. To see if you are eligible for a special enrollment period for major medical coverage through the New Mexico Health Insurance Exchange, contact beWellnm toll-free at 1-833-862-3935.

4. To see if you are eligible for high risk pool coverage, please contact the New Mexico Medical Insurance Pool (the "High Risk Pool") at 1-844-728-7896 or <https://nmmip.org/>. If you are uninsured and have a COVID-19 diagnosis, your condition qualifies you for Pool coverage.
